

HACK

Hack classes are for ridden horses. A hack must have abundant presence and quality and be well-schooled.

It is the horse, not the rider, that is judged in Hack classes, and it is assessed on type, conformation, movement, temperament and responsiveness to the rider.

The Judge looks for a calm, supple and obedient horse that moves freely forward in all paces.

Hacks should be fluent and flowing in their movement.

In Hack classes, the Judge will be looking for a horse which is forward-moving, balanced and rhythmic in all its paces.

It must be well-conformed and present an overall picture of balance and quality.
